

Blueprint Ceramics

DESIGN + BUILD

FIT-OUT

Location

Warwickshire

Client

Blueprint Ceramics

Value

C. £820k

Duration

Design Phase: 6 Weeks

Construction: 14 Weeks

McCarthys were engaged with the end user client through negotiated tender process to undertake a full turnkey Design and Build fitout and installation of Blueprint Ceramics new Headquarters on the outskirts of Coventry, Warwickshire. McCarthys assisted with final Planning Approval conditions and Building Control Approvals whilst developing the interior scope of works, space planning, material selections and budget costing. Following design sign off, McCarthys undertook the full CAT A and B fitout with M+E, external works and car park.
